200 Proof Ethanol

100 % Ethanol

Technical Data Sheet

- BRIEF DESCRIPTION –

Decon's 200 proof ethanol (100% ethanol) is a pure ethanol product made to USP specifications and used for research, healthcare, industrial, or production applications as a cleaner, solvent, or reagent.

Please note that pure ethanol is regulated by the US ATF/TTB and depending on the taxable status of your institution, pure ethanol products are taxed according to the government schedule of taxes detailed in US CFR Part 27 (211.1119).

To purchase you must have an Industrial Alcohol User Permit from the AFT/TTB, specifically marked for "the withdraw and use of alcohol free of tax" Tax free pure ethanol is intended for industrial use only. To apply for this permit visit **www.ttb.gov** click Laboratory, click Laboratory Forms- click "Form 5150.22"
